Consider **ALTERNATIVE GIVING** For ALL gift-giving opportunities!

Once again searching for that “perfect” gift? How about giving the gift that keeps on giving? Consider **Alternative Giving** as a way to alleviate some of the pressure of trying to find the perfect gift and instead give a gift that carries special meaning.

What is Alternative Giving? Rather than giving a typical store-purchased gift or gift card to friends and family, make a donation to a worthy organization on their behalf. **Alternative Giving** allows both the giver and the recipient to activate the spirit of Christ in the world. Generosity and care for those in need are central to this mutually enriching charitable practice.

Where can I give such a gift? Spread the message of our Savior’s love for our brothers and sisters at the Over-the-Rhine Learning Center. Here, individuals are empowered through literacy to reach their life goals in an environment sensitive to their life challenges.

The OTR Learning Center touches the lives of hundreds of area residents with one-to-one reading tutoring, G.E.D. test preparation classes, telephone and fax access. The Center’s community Computer Lab serves over 150 users a year, offering free access for e-mailing and internet use as well as basic computer skills classes, job search, and resume assistance. With a high school drop-out rate in Over-the-Rhine of 45%, the Center empowers area residents to make things different in their own lives!

How do I give an Alternative Gift? The attached packet includes all you will need to give an Alternative Gift to the OTR Learning Center.
